Miss Kathryn Megley

Dedication

To you, Miss Kathryn Megley, the class of 1956 fondly dedicates this volume of the Echo. Our wagon has been hitched to a most remarkable star, and to show our true, heartfelt appreciation for the help and cooperation you have given us, would be impossible. You began your teaching career here in 1924, and in the thirty-two years since your inauguration, you have played a vital part in the history of Sumner High.

Your sphere of influence has been and will continue to be great. Blessed with a wonderful sense of humor, which serves as background to your patience and understanding, you have guided us through these four memorable high school years. May the future find us all attempting to live up to those high standards you set for us.

Editorial Board: Mary Kelleher, Literary Editor; Nancy Ferrini, Editor-in-chief; Ann Barbour, Art Editor; Ronald Dinning, Assistant Editor; Patricia Norton, Typing Editor.

Don, Ethel, and Ron help produce the magazine.

The Bulldog Bulletin was written, illustrated, and produced entirely by the students under the direction of Mr. Bizinkauskas and Mrs. Roberts, advisers. Holbrook High's magazine was formerly entitled the Snoops and Scoops, but was renamed the Bulletin two years ago following a change in the staff and policy of the magazine. Last year, in competition with many other school magazines throughout New England, our publication received an honorable mention at the New England Scholastic Press Convention, to which we sent three delegates. The addition of an activity room in the new high school greatly benefited the work of the Bulletin.

The Student Council plays an important part in the life of Holbrook High School. Representatives are elected by each class to represent it, and Mr. McCallum is adviser to the group. The Student Council works on projects which will improve the school in some way. Recent aquisition of a trampoline and a movie camera are representative of these projects. Currently, a portable high fidelity set is the goal. In earning money for these projects, however, the Student Council does even more for the students. The program of dances, assemblies, and sports events sponsored by this group is an impressive one. The Student Council's duties also include representing the school at various functions and acting as a representative of the student body when decisions are to be made concerning it. In all this work, the Student Council finds enjoyment and satisfaction at having helped their school.
